IRAN

18.12.2018 Security officers at Tehran's postal center found opium packets. Counter-narcotics police detained a suspect for attempting to smuggle opium from Iran to Canada in postal parcels. The investigation in this case is carried out by the police. In total **8 kg of opium extract** were seized. <https://www.tehrantimes.com/news/430838/Man-arrested-for-trying-to-smuggle-opium-to-Canada>

MALTA

20.12.2018 Employees of the Customs Department in the international port of Freeport found **5020 kg of hashish** inside a freight container, worth about 7 million 450 thousand Euros. The container ship arrived from the port of Algeciras in Spain. The consignee was a company registered in Malta. The container carried large rolls of black mulch film - a thick plastic sheet used in agricultural industry. During scanning of the container, customs officers noticed discrepancies in images. Inspection activities resulted in discovery of caches - containers for concealing drugs. Under the film inside a plastic tube lined with a thick layer of lead used by criminals to exclude detection using x-ray equipment there were packages of drugs under the foam layer. Customs officers asked for help from the anti-drug police. The judicial investigation is being conducted under the direction of the Magistrate Rachel Montebello. <https://www.timesofmalta.com/articles/view/20181220/local/customs-make-second-largest-drug-haul-in-maltas-history.697261>

21.12.2018 Customs officers found and seized **48 kg of cocaine** in a refrigerated container arriving from Ecuador and destined for Greece. The container was selected for scanning after a risk analysis had been conducted by the department's container monitoring unit. After scanning, 40 packets of cocaine were found located behind the panel above the refrigerant compressor. The approximate street value of the consignment is 5 million Euros. The case is transferred to the drug police for further investigation. <https://www.timesofmalta.com/articles/view/20181221/local/5-million-worth-of-cocaine-found-in-refrigerator-headed-to-greece.697369>

MOROCCO

18.12.2018 Moroccan Intelligence Service BCIJ seized **1 ton of smuggled cocaine**. During the seizure of cocaine, 17 suspects were arrested, including 2 Spaniards and 3 Colombians. Subsequently, the investigation established that in Bujdura, located in Western Sahara, a Colombian citizen belonging to the Colombian drug cartel was engaged in preparing a large smuggling channel of cocaine with the help of aviation. He organized construction of aviation runways in Western Sahara for the supply of cocaine directly from Colombia to Western Sahara, from where cocaine would go to Europe. The Colombian stayed in Morocco illegally. He was arrested. <https://www.crimesite.nl/cokebende-wilde-landingsbanen-ontwikkelen-in-marokko/>

UAE

17.12.2018 Officers of the Directorate for Drug Control in the Criminal Security Sector of the Police of Abu Dhabi seized **60 kg of heroin** and arrested three suspects aged from 24 to 45 years old who organized a major drug business. The suspects were storing drugs in the basement of a commercial workshop that deals with used car parts. Part of the drug found was hidden in the doorway of used cars. This seizure was a continuation of the operation to curb activities of an international drug group engaged in transportation of drugs for the sale of heroin and methamphetamine in vehicle parts in a container in the industrial area of the Emirates. Suspects were sent to the Prosecutor's Office for further trial under the case. <https://gulfnews.com/uae/crime/abu-dhabi-police-seize-60kg-heroin-in-major-drug-bust-1.60986931>

PAKISTAN

19.12.2018 The Airport Security Force (ASF) at Islamabad detained a drug trafficker in an attempt to export more than **1 kg of heroin**. Drugs were hidden in boxes of vaseline and cosmetic creams. The suspect was heading for an international flight to Jeddah in Saudi Arabia. He was transferred to the Anti-Narcotics Forces for further investigation. <https://www.samaa.tv/news/2018/12/asf-foils-heroin-smuggling-bid-at-islamabad-airport/>

PANAMA

18.12.2018 The National Police Intelligence Directorate (DIP) units of the National Police, in coordination with the Prosecutor's Office in the port in Colón province found **300 kg of cocaine** in a container. Police officers received information about illegal supply of large quantities of cocaine in one of the containers, so they started a search and found a container that was destined for Europe, in particular the port in Belgium. The Drug Prosecutor's Office launched an investigation to determine whether Panama was the destination country of the consignment or was on the path of drug trafficking. <https://www.critica.com.pa/nacional/hallan-300-kilos-de-pichi-en-un-contenedor-en-colon-535943>

PERU

18.12.2018 Aboard the container ship "San Clemente" under the flag of Singapore, during an inspection in the port of Callao in Peru, **27 kg of cocaine** were found. The inspection was carried out while the ship remained at the berth at the DP World Callao terminal. Authorities seized the contraband, which was found in a black bag with dozens of packages wrapped in black foil. Sea divers also conducted an underwater ship inspection. The ship sailed from the port of Buenaventura in Colombia and headed for the port of Puerto Angamos in Chile. The vessel was owned by the German shipping company Hamburg Süd, which cooperated with authorities throughout the investigation. <https://worldmaritimeneews.com/archives/267025/cocaine-found-on-board-san-clemente-boxship/>

USA

17.12.2018 US border patrol agents seized **59 kg of methamphetamine**, consignment of drugs delivered by ultralight aircraft from Mexico. The plane landed north of Calexico, California, and then flew back to Mexico. In the landing area of the aircraft agents found

two bags containing methamphetamine. Two drug users were arrested. Market value of the consignment was about 1.4 million US dollars.

https://www.usatoday.com/story/news/nation/2018/12/17/methamphetamine-drug-drop-bicycle-calexico-mexicali/2345377002/?utm_source=feedblitz&utm_medium=FeedBlitzRss&utm_campaign=usatoday-newstopstories

17.12.2018 Border patrol agents in Laredo, Texas at I-35 checkpoint stopped a Chevrolet Colorado car run by a US citizen in an attempt to smuggle drugs. As a result of inspection activities of the vehicle, five packages containing **cocaine weighing 5.9 kg** were found in a hidden compartment. Street value of drugs is about 680 thousand US dollars. Driver was arrested and transferred to the Homeland Security. <https://www.kgns.tv/content/news/Border-Patrol-agents-seize-over-half-a-million-dollars-worth-of-cocaine-503061041.html>

21.12.2018 Police in Wisconsin detained a woman for transporting a large shipment of methamphetamine in her car. During a traffic stop in Grant County on Highway 151, service dog K-9 alerted on the smell of drugs in the car. As a result of vehicle screening, about **2.72 kg of methamphetamine** were detected. Approximate market value of drugs is 100 thousand US dollars. Driver, a 28-year-old woman was arrested.

<https://www.channel3000.com/news/crime/-100k-worth-of-meth-found-in-madison-woman-s-vehicle-officials-say/944386654>

TURKEY

22.12.2018 The Customs Service of the Ministry of Commerce in the port of Ambarly in containers with a cargo of bananas arrived from Ecuador found and seized **32 kg 605 g of cocaine**. Employees of the Smuggling and Intelligence Directorate of a Customs Warehouse in Istanbul stated that the cargo of bananas in six containers falls under the risk profile. As a result of inspection activities using x-ray equipment in the cooling section located behind one of the containers there was a suspicious density of a substance. During a search, a cache with a large number of packages with cocaine was found in the indicated place.

<https://www.haberler.com/muz-yuklu-konteynerden-kokain-cikti-11564826-haberi/>

19.12.2018 The Anti-Drug Unit in Erzincan province stopped a long-haul road train on suspicion of drug trafficking along the road from Istanbul to the eastern province of Van along the Erzincan-Erzurum highway. In the truck, **1 ton 271 kg of heroin** were found hidden in frozen animal fat. Three people, including the driver, who were in the vehicle were arrested. <http://en.brinkwire.com/news/over-1-ton-of-heroin-seized-in-eastern-turkey/>

20.12.2018 Security forces in the south-east of the country during operations against the Kurdistan Workers Party, a terrorist organization banned in Turkey, seized **175 kg of hashish**. In Turkey, the PKK is accused of being involved in drug trafficking in order to generate revenues directed to finance terrorist activities.

<https://www.dailysabah.com/investigations/2018/12/20/175-kg-of-hashish-seized-in-anti-pkk-terror-operation-in-southeastern-turkeys-diyarbakir>

THE REPUBLIC OF KOREA

17.12.2018 Busan Main Customs on board a container ship inside a container found a bag containing packages of smuggled **cocaine** with a total weight of **63.5 kg**. The container was shipped in Ecuador, had a stop in the port of Mexico and arrived in the southern port

city of Busan. The final destination of the shipment was China. South Korean officials conducted an operation to confiscate drug consignment on the basis of operational information received from the Mexican side. <https://www.upi.com/South-Korea-seizes-140-pounds-of-cocaine-on-a-container-ship/4571545026017/>
