

## CARICC WEEKLY SUMMARY

(based on mass media reports)

**17-23.09.2018**

**№ 39**

### CARICC MEMBER STATES

#### THE REPUBLIC OF KAZAKHSTAN

**11.09.2018.** Staff of UBN of Department of Internal Affairs of Karaganda region in the republican operational preventive measures "Koknar-2018" in the course of search operations in the territory of Ulytau district found illegal plantations of **cannabis plants (marijuana)**. At the site, 587 bushes of this plant were seized, weighing more than **500 kg**. This fact was registered in the Unified Register of pre-trial investigation under Article 300 part 2 of the Criminal Code of the Republic of Kazakhstan "Illegal cultivation of plants containing narcotic substances prohibited for cultivation". <https://patrul.kz/novost/karagandinskije-policejskie-izyali-bolee-500-kg-narkotikov>

**19.09.2018.** Officers of the Division to Combat Drug Trafficking in the course of search operations in one of the garden societies in Kostanay detained a 53-year-old man. Earlier, within personal belongings of the previously convicted summer-house-resident **13 kg 908 g of marijuana** were seized. During the investigation, police found that the suspect collected cannabis, dried it in his bath, and then mixed with marijuana, which he acquired from unknown persons. The detainee was placed in a temporary detention facility. <http://24.kz/ru/news/social/item/265996-13-kg-marikhuany-iz-yali-politseyskie-u-zhitelya-kostanaya>

#### RUSSIAN FEDERATION

**19.09.2018.** A clandestine drug laboratory has been dismantled by policemen in a suburb of Novosibirsk in a basement. The production of synthetic drugs involved 3 men aged 19 and 24 years. The organizer of the drug business was a 24-year-old city dweller. He was also responsible for the sale of drugs in a contactless way using the Internet. Two other men living in the Novosibirsk region were engaged in the manufacture, packaging and storage of narcotic drugs. Police officers also seized containers and raw materials for the production of "**synthetics**", as well as **164 kg of ready drugs**. The drug traffickers were detained with the help of fighters of the special forces. A criminal case was instituted under part 3 of Article 30, part 5 of Article 288.1 of the Criminal Code of the Russian Federation. (Attempt on illegal sale of narcotic drugs in a particularly large amount). Drug dealers are arrested, they face punishment of up to life imprisonment. <https://news.mail.ru/incident/34782663/>

**19.09.2018.** Operatives of the Drugs Control Unit and inspectors of the State Traffic Safety Inspection in the Mikhailovskiy district of the Volgograd region searched nine carcass bags with a narcotic substance during a search of a passenger vehicle driven by a 33-year-old local resident. A total of **30.5 kg of marijuana** were seized. The seized consignment of marijuana was the largest found on the territory of the Volgograd region since the beginning of this year. A criminal case has been initiated. <https://novostivolgograda.ru/news/incident/19-09-2018/v-volgogradskoy-oblasti-politsiya-iz-yala-krupneyshuyu-za-god-partiyu-marihuany>
