RUSSIAN FEDERATION

24.08.2020 Officers of GUNK of the Russian Ministry of Internal Affairs, in cooperation with colleagues from Moscow region and the Belarusian Ministry of Internal Affairs, have stopped a criminal group whose members are suspected of selling synthetic drugs. Drugs were sold through an online store created by cybercriminals in the shadow segment of the Internet. To transport drugs, the suspects used a car owned by one of them with a special cache in its luggage compartment. In addition, the men rented a private house in a garden association in Odintsovo district, Moscow region, where they stored and packed particularly large amounts of drugs and from there administered the Internet store. Two members of the drug group were detained. Seizures amounted to over **20 thousand tablets with the drug MDMA totaling more than 8 kg, as well as 98 g of cocaine**. A criminal case was initiated. Detained persons were subjected to a preventive measure in the form of detention. <https://xn--b1aew.xn--p1ai/news/item/20945762>

25.08.2020 Police in Kursk detained a 34-year-old man and his 29-year-old cohabitant red-handedly during an attempt to sell a wholesale shipment of heroin, who were distributing

drugs contactlessly through caches. The man distributed illegal substance on the territory of Kursk, after which he received a payment on his bank card. Drug was brought from another region and was supposed to be distributed in Kursk region and neighboring regions. More than **500 g of heroin** were seized. Investigation is under way. Detainees were taken into custody as a precautionary measure. <https://xn--b1aew.xn--p1ai/news/item/20954521>

26.08.2020 Employees of UMVD of Russia in the Murmansk region intercepted illegal actions of Internet store on illegal distribution of prohibited substances. A 30-year old man was detained in a forest area of the Pervomaisky district of Murmansk during equipment of drug caches. He illegally kept synthetic drugs with him and at his place of residence for the purpose of distribution. In total, **450 g of amphetamine and methylephedron** were seized. A criminal case has been initiated against the suspect. <https://xn--b1aew.xn--p1ai/news/item/20967499>

27.08.2020 Officers of the Drug Control Department of the Russian UMVD for Kaluga region detained a resident of Moscow region born in 1991 suspected of distributing narcotic drugs. During a personal search of the young man, **144.66 g of heroin** were found. The detainee, acting as part of a criminal group, was engaged in contactless drug trafficking in Kaluga. The transfer of the illegal substance to third parties was carried out through caches. A criminal case was initiated. A measure of restraint in the form of detention was chosen in respect of the suspect. <https://xn--b1aew.xn--p1ai/news/item/20976825>

27.08.2020 As part of interagency complex operational and preventive operation "Mak-2020" aimed at curbing the spread of narcotic drugs of herbal origin, employees of the inter-municipal department of the Ministry of Internal Affairs of Russia "Dalnerechensky" of Primorsky krai in the yard of the house of a 55-year-old resident of the village of Roshchino, Krasnoarmeysky district found and seized more than **1700 cultivated cannabis bushes containing tetrahydrocannabinol, with a total mass of over 14 kg**. A criminal case was initiated. <https://xn--b1aew.xn--p1ai/news/item/20973121>

28.08.2020 Employees of GUNK MVD of Russia together with colleagues from GU MVD of Russia in Moscow detained a suspect in possession and attempted sale of drugs on a large scale, a resident of a Central Asian country. The man purchased large consignments of drugs, and then packed into smaller ones and sold in the Moscow region through caches. In Mozhaisk district, traffic police inspectors stopped a car with the suspect in its cabin. During inspection of the vehicle under the driver's seat were found more than **260 g of heroin**. During search of the detainee's residence, more than **7 kg of heroin** were seized, as well as scales and packaging material. Criminal cases were opened. A preventive measure in the form of detention was chosen with respect to the suspect. <https://xn--b1aew.xn--p1ai/news/item/20989947>

28.08.2020 GSU GU MVD of Russia in the Chelyabinsk region completed an investigation of a criminal case against a citizen of a neighboring country, accused of illegal production and sale of drugs. The man organized production of synthetic drugs in an underground laboratory, located in the city of Kopeysk. "Mini Factory" was equipped with a modern security and video control complex, motion sensors, a special ventilation and air filtration system, autonomous heating, water supply and lighting, and expensive industrial laboratory equipment and dishes were used. More than **54 kg of synthetic drugs and more than**

700 kg of precursors used in production of illicit substances were seized. <https://xn--b1aew.xn--p1ai/news/item/20988903>

31.08.2020 Employees of GU MVD of Russia in Voronezh region together with colleagues from the regional UFSB of Russia detained a drug courier - 26-year-old resident of Saratov region, who was transporting from Moscow region for further sale in the Rostov region more than **1.2 kg of mephedrone**. The drug courier was detained by police at the 596th kilometer of the M-4 "Don" highway in Bobrovsky district after a taxi stop. A criminal case was opened against the suspect and the court selected a preventive measure in the form of detention. <https://xn--b1aew.xn--p1ai/news/item/21006287>

31.08.2020 Employees of GUNK MVD of Russia in cooperation with MVD of the Republic of Latvia on the territory of two countries conducted a large-scale operation to stop actions of a transnational ethnic group, members of which are suspected in production of synthetic opioids and their smuggling into Russia, CIS countries and the European Union. In urban-type settlement Shahovskaya, Moscow region, the driver of a heavy-duty truck - a citizen of Latvia and a citizen (female) of Russia - were detained on suspicion of involvement in smuggling of drugs from the territory of the Republic of Latvia. The woman was seized **6.5 kg of methadone**. At the same time, five more suspects were detained on the territory of the Republic of Latvia. Among them are four Latvian citizens and a citizen of Russia. More than **21 kg of methadone**, as well as laboratory equipment were seized on the territory of Latvia. Investigation is under way. A preventive measure in the form of detention has been taken against the suspects. <https://xn--b1aew.xn--p1ai/news/item/21004531>

OTHER COUNTRIES

BULGARIA

27.08.2020 A cache with 162 bags of **marijuana weighing 81.165 kg** was found at the Kulata (Bulgaria) border crossing point on the border with Greece, in a truck with a semi-trailer registered in Bulgaria, which was stopped for inspection. The driver of the vehicle, who was 50 years old, was detained and charged with drug smuggling.
