**REPUBLIC OF AZERBAIJAN**

**01.09.2020** Employees of SCC of Azerbaijan stopped an attempt to transit through the territory of Azerbaijan over **305.289 kg of heroin**. A truck with a tent semitrailer driven by a citizen of the Islamic Republic of Iran was stopped at "Astara" customs post based on operational information received by the Department of Operations and Investigations of the Main Customs Directorate of the Southern Territory. The cargo was declared as agricultural equipment (plough) and followed from Iran to the Republic of Kazakhstan through the territory of the Republic of Azerbaijan. However, during inspection of the truck a service dog reacted to the metal frame of the plough, and the cargo was checked using a stationary X-ray machine. As a result, 598 briquettes with drugs were found in 12 out of 22 units of agricultural equipment. The packages were placed in cavities of the plough's metal frame. Heroin consignment value in the European market is over 22 million euros.

## SPAIN

**03.09.2020** Civil Guard and the Tax Office, as part of Operation ACLIS, dismantled a criminal organization engaged in international drug trade through the port of Barcelona. Four people were arrested during the operation. It began as a result of customs control of goods in the port of Barcelona. During one of those checks last March, **121 kg of high-purity cocaine** were found inside containers from Colombia with a shipment of industrial equipment (perforators). A joint investigation team consisting of agents from the Organized Crime and Drug Enforcement Unit of the Judicial Police of the Barcelona Civil Guard and the Additional Department of Customs Supervision (DAVA) of the Tax Service was created to join forces. The criminal organization that organized the cocaine shipment changed delivery routes of its consignments, opening a new entry route, including delivery by air through Bilbao airport. In April 2020, a member of a criminal group living in Bilbao, who was responsible for receiving shipments, was arrested in Santander. While transporting drugs from Barcelona to Villanueva de la Cañada in Madrid, in complete isolation due to the COVID-19 pandemic, two other members of the criminal organization living in Alcón and Madrid were arrested. Members of the criminal organization rented a house and equipped it with soundproofing to safely remove drug shipments from the equipment. The operation
