#### THE RUSSIAN FEDERATION

**09.01.2019** Police officers of the Intermunicipal Department of the Ministry of Internal Affairs of Russia "Lyuberetskoe" of the Moscow region detained an 18-year-old resident of Moscow and seized 20 convolutions with the drug **mephedrone weighing more than 200 g**. Young man intended to sell drugs via caches in the urban district Kotelniki.

<https://xn--b1aew.xn--p1ai/news/item/15444543>

**09.01.2019** Officers of the Department of the Ministry of Internal Affairs of Russia in the city of Kemerovo detained an 18-year-old local resident suspected of spreading prohibited substances in the city. In the course of operational search activities and investigative actions, about **390 g of cocaine, hashish and ecstasy**, intended for distribution in a non-contact manner, as well as scales, packing tools, packaging materials and a laptop containing information about the places of "caches" were seized.

<https://xn--b1aew.xn--p1ai/news/item/15438401>

**10.01.2019** Officers of the Drug Control Division of the OMVD of Russia in the Kirzhachsky district of the Vladimir region detained a 33-year-old local resident suspected of involvement in drug trafficking. In the car driven by the person involved, briquettes with pressed **hashish weighing 687.9 g and other narcotic drugs and psychotropic substances in small quantities** were found. The consignment of drugs confiscated from illegal trafficking was intended for distribution on the territory of the Kirzhachsky district of the

Vladimir region. A criminal case was initiated against the suspect. <https://xn--b1aew.xn--p1ai/news/item/15454002>

**10.01.2019** Officers of the OKON of Komsomolsky LO Ministry of Internal Affairs of Russia in transport in Komsomolsk-on-Amur detained two residents of the Amur region at the age of 45 and 38 years on suspicion of drug trafficking. When inspecting their car, about **8 kg of hashish oil and 3 kg of hashish** were discovered. In Komsomolsk-on-Amur, detainees intended to exchange drugs for expensive cars. <https://xn--b1aew.xn--p1ai/news/item/15451687>

**10.01.2019** The FSB of Russia officers conducted a multi-stage operation to identify and counter illegal activities of a cross-border ethnic criminal group and dismantle a smuggling channel used for supply of especially large quantities of heroin from the countries of Central Asia. Established were active members of the organized group - citizens of several states. Active members of the criminal group were caught red-handed; at least **43 kg of heroin** were seized from trafficking. A criminal case initiated against detainees. <http://www.fsb.ru/fsb/press/message/single.htm%21id%3D10438334%40fsbMessage.html>

**11.01.2019** Officers of the OKON Regional Department of the Ministry of Internal Affairs of Russia in Kaluga detained a 37-year-old local resident who stored 20 bags of **N-methylephedron with a total weight of about 20 g** with intention to supply. At the place of residence of the suspect, more than **1 kg of 200 g of N-methylephedron** and about **600 g of indole** were also found, intended for sale in the territory of the Kaluga region through stashes. <https://xn--b1aew.xn--p1ai/news/item/15466843>

**11.01.2019** Officers of the Department of the Ministry of Internal Affairs of Russia in the city of Voronezh identified and detained a 32-year-old man suspected of drug trafficking, who arrived in his car from the city of Elektrostal in the Moscow region. During the inspection, police officers discovered and seized more than **700 g of methylephedron**, which the man brought for the purpose of selling through caches. Subsequently, police discovered a cache equipped by a suspect in the forest near the village of Podgornoye, from where about **1 kg of pyrrolidinovalerophenone (α-PVP)** was extracted. <https://xn--b1aew.xn--p1ai/news/item/15470024>

## THE REPUBLIC TAJIKISTAN

**05.01.2019** Officers of the Anti-Drug Trafficking Department in Penjikent, Sughd region, detained a 28-year-old expert in the Bureau of Forensic Medical Examinations on suspicion of drug trafficking. Law enforcement officers seized **400 g of opium** from the expert. A criminal case was instituted on this fact. <http://www.fergana.agency/news/104102/>

## OTHER COUNTRIES

### AUSTRALIA

**10.01.2019** An investigation by detectives from the state of New South Wales and Australian Border Force (ABF) officers led to one of the largest seizures of gamma-butyrolactone (GBL) in Australia. In 2018, detectives from the New South Wales State Police Command launched an investigation into drug production throughout New South Wales. During the investigation, two large underground laboratories of 3,4-

methylenedioxymethamphetamine (MDMA) in Menangle and Mount Hunter were discovered. The laboratories were dismantled with assistance from the Chemical Operations Unit of the Drugs and Firearms Squad, which confiscated 650 items, including equipment used to produce drugs, chemicals and precursors as well as illegal drugs with a potential value of more than \$ 5.2 million. Two people were arrested. Subsequently, detectives from the Drugs and Firearms Squad created Arndill Strike Force to investigate importation of chemicals, precursors and equipment used to manufacture drugs. With the help of investigators from ABF, detectives analyzed the scheme of importation of gamma-butyrolactone from China to a number of companies in the south-west of Sydney. On December 18, 2018, ABF officers found and confiscated a consignment of 20 barrels containing **4000 liters of gamma-butyrolactone**. The cargo arrived from China under the guise of liquid fertilizers. Stret value of the chemical is more than 12 million US dollars. Case is currently under investigation. Gamma-butyrolactone is a precursor and is used in the manufacture of MDMA. <https://newsroom.abf.gov.au/releases/more-than-12-million-of-gbl-seized-as-police-continue-to-target-drug-manufacturers>

## INDIA

**07.01.2019** In the city of Firozpur in the state of Punjab, law enforcement agencies discovered and seized **5 kg of heroin** during a joint search operation in the Counter-Intelligence Team on the border with Pakistan. Currently, exploratory work is underway near the border. <https://www.gnsnews.co.in/25-crore-heroin-recovered-from-ind-pak-border/>

**13.01.2019** Two Nigerian citizens aged 35 and 38, part of an international drug cartel, were arrested by agents of the Anti-Narcotics Cell of the Mumbai Police Criminal Branch. During a personal search, **1.005 kg of high quality cocaine** were collected from the suspects. <https://www.india.com/news/agencies/2-nigerian-nationals-arrested-with-cocaine-worth-rs-6-3-cr-3524261/>

## SPAIN

**11.01.2019** Officers of the Civil Guard in Barcelona arrested 25 people during a special operation, which ended with the largest seizure of **2 tons 700 kg of marijuana** in Spanish history. Marijuana was grown and processed in the northeastern region of Spain, and then transported out of the country by a truck. Police believe that the gang was headed by British and Dutch smugglers. The drug group used front companies to manage cross-border freight shipments, hiding drugs under goods such as sports equipment, interior items, animal feed and vegetables. <https://www.dailymail.co.uk/wires/ap/article-6581493/Spanish-police-seize-marijuana-heading-UK-Netherlands.html>

## CANADA

**10.01.2019** Officers of the Royal Canadian Mounted Police (RCMP) in Grand Prairie, Alberta, during a search of an apartment in the western part of the city, found and seized **4 kg of crystalline methamphetamine, 2.2 kg of cocaine, 200 g of heroin, about 5,500 oxycodone tablets and about 950 fentanyl tablets**. The officers also seized about 94 thousand dollars in cash and two pistols. An investigation is underway. <https://globalnews.ca/news/4835821/grande-prairie-drug-bust-opioid-january/>

**11.01.2019** Police officers of the unit Dryden in the province of Ontario on highway 17 east of Dryden stopped a vehicle under the control of a 29-year-old Winnipeg resident on violations of the traffic law. **8 kg of cocaine** were found and seized as a result of the vehicle inspection. Male driver was taken into custody and charged with possession of drugs with intent of selling. <https://www.tbnewswatch.com/local-news/traffic-stop-in-dryden-uncovers-800000-in-cocaine-1193740>

## LIBYA

**07.01.2019** Customs officers found about **8 tons of cannabis** at the Misurata port in two containers. The drug was confiscated in the presence of the Inspection Team of the customs authority and the Anti-Drug Smuggling Group in Misrata, in addition to the prosecutor and representatives of security and judicial authorities. Three weeks ago, the Misurata Customs Authority seized over **52 tons of cannabis and 100 million tablets of tramadol**.  
<https://www.libyaobserver.ly/inbrief/custom-authorities-seize-8-tons-cannabis-port-misurata>  
<http://www.bernama.com/en/news.php?id=1681983>

## MOROCCO

**07.01.2019** Moroccan security services in the port of Tangier-Med seized more than **13.7 tons of cannabis**. Drugs were hidden in a semi-trailer registered in Morocco. Police launched an investigation into the participants in this major drug trafficking operation.  
<http://northafricapost.com/26974-morocco-foils-smuggling-over-13-tons-of-cannabis.html>

**10.01.2019** The Royal Armed Forces (FAR) in the region located 250 km south-east of the city of Laayoune in the Sahara conducted a major operation to thwart drug trafficking. During the operation, two suspicious vehicles were blocked, as a result of a search in which 148 boxes of **cannabis with a total weight of 3.7 tons** were discovered and seized.  
<http://northafricapost.com/27008-morocco-army-foils-smuggling-of-3-7-tons-of-cannabis-in-sahara.html>

**11.01.2019** Security officers at Mohammed V International Airport in Casablanca detained a Nigerian citizen who smuggled **1,325 kg of cocaine** intracavitarily in stomach. The passenger arrived by flight from Sao Paulo in Brazil. At the Ibn Rochd University Hospital Center in Casablanca, 72 cocaine capsules were removed from the stomach of the Nigerian. He is currently in custody for further investigation under the supervision of the Prosecutor's Office.  
<https://www.moroccoworldnews.com/2019/01/263032/morocco-nigerian-cocaine-capsules-airport/>

## MEXICO

**07.01.2019** A Mexican citizen arriving from Peru was detained by customs officers at Cancun International Airport in the province of Quintana Roo in an attempt to smuggle about **12 kg of cocaine**. As a result of inspection activities, hidden compartments were found in each of the two suitcases belonging to a woman. Inside a double bottom, 6.2 kg of cocaine were found in the first suitcase, and 5.8 kg in the second. The female drug trafficker was arrested and transferred to the General Prosecutor's Office for further legal procedures.  
<https://www.riviera-maya-news.com/woman-arriving-from-peru-with-12-kilos-of-cocaine-arrested-at-cancun-airport/2019.html>

## THE NETHERLANDS

**11.01.2019** On the territory of a terminal of the Belgian New Fruit Wahrf (BNFW), more than **700 kg of cocaine** were discovered by customs officers in the walls and refrigeration units of containers in the port of Antwerp. After the discovery of smuggling, the information was transmitted to investigators of the Antwerp Judicial Police Division of Drugs. In the course of further observation of the containers, three Dutch citizens aged about 40 were detained while trying to extract this consignment of cocaine from containers. Men were imprisoned. An investigation is being carried out on this fact.

[https://www.hickoryrecord.com/news/texas-woman-arrested-after-pounds-of-heroin-seized/article\\_ca5be88a-150c-11e9-bdb7-0f52e2afe445.html](https://www.hickoryrecord.com/news/texas-woman-arrested-after-pounds-of-heroin-seized/article_ca5be88a-150c-11e9-bdb7-0f52e2afe445.html)

## SURINAME

**08.01.2019** Police agents in the port of Jules Sedney in the southern region of Paramaribo confiscated **2 tons 500 kg of cocaine**. The drugs were hidden in eight containers loaded with rice waiting to be loaded in the port. The containers were intended for shipment to France via Guadeloupe. The port Security Department stumbled upon the cargo during regular monitoring, after which they warned the Narcotics Brigade of the Suriname Police Corps. It was established that a consignment of rice was processed and packaged at the Omravingh plant. Police arrested a private customs consultant, rice exporter and one entrepreneur, owner of the cargo. <https://www.thedailyherald.sx/regional/84359-huge-coke-bust-at-suriname-harbour>

## THAILAND

**14.01.2019** In Chiang Rai province, three members of a large drug syndicate were arrested by police agents while smuggling **300 kg of crystalline methamphetamine** from Myanmar to Thailand. Two men in a pick-up car refused to stop at a checkpoint on the border road in the Mae Sai area. The driver lost control of the vehicle and turned it over. Officers from the task force found another unconscious passenger and a consignment of methamphetamine in 12 bags in the truck. <https://www.chiangraitimes.com/pha-muang-taskforce-seizes-300-kilos-of-crystal-methamphetamine-from-drug-runners.html>

## TURKEY

**10.01.2019** Customs officers at Istanbul Ataturk Airport detained a Ukrainian citizen who smuggled **5.5 kg of cocaine** from Colombia in a suitcase. The man was heading to Ukraine and he was accompanied by another person involved in smuggling. Lawsuit against drug traffickers was initiated.

**10.01.2019** In another anti-drug operation in the eastern province of Van, police seized **72 kg of heroin** in a house.

**10.01.2019** Police in the western province of Tekirdag as a result of stopping the movement of trucks, inside caches equipped with them, **600,000 Ecstasy tablets weighing 134 kg** were discovered. Trucks smuggled drugs from abroad. Three people were arrested in connection with the incident.

<https://www.aa.com.tr/en/turkey/more-than-5-kg-of-cocaine-seized-in-ataturk-airport/1361449>

## ECUADOR

**05.01.2019** In the port of Guayaquil, customs officers together with the police of the Drug Enforcement Division found **176 kg of cocaine** in a container loaded with frozen fish to be sent to the port of Piraeus in Greece. Packages of drugs containing an anchor logo on a green background were carefully hidden in a cache on the floor of the container. In the Greek region of Attica, a 74-year-old Greek citizen, a 48-year-old Turkish citizen and a 40-year-old Chinese citizen were arrested on charges of involvement in illegal drug smuggling. When the cocaine consignment was ready to be shipped from Ecuador, authorities were informed about this through the Office of the United States Drug Enforcement Administration (DEA) at the US Embassy in Athens. Market value of the consignment is estimated at 5 million Euros. This was followed by arrests of members of a criminal organization in Athens and the coastal suburbs of Voula and Varkiz. It has been established that this criminal organization also organized smuggling of a large quantity of heroin from Iran under the guise of cargo with marble to Germany. The alleged leader of the criminal organization 34-year-old Turkish citizen nicknamed "Dutchman" («голландец») is still at large.

<http://www.ekathimerini.com/236283/article/ekathimerini/news/cod-and-cocaine>

**07.01.2019** Through the National Drug Enforcement Administration and its Ports and Airports Information unit (UIPA), the Ecuadorian National Police conducted Operation "Three Kings Day" at the Simon Bolivar seaport in Guayaquil, which resulted in discovery of 38 packages with "NMT" labels inside container refrigerators containing **37 kg 962 g cocaine**.

The consignment was intended for international markets. The operation was carried out after analyzing risk profile of several containers in the port. Ecuadorian citizen, legal representative of the goods, was arrested.

<http://www.policiaecuador.gob.ec/operacion-dia-de-reyes-impide-que-37-kilos-de-cocaina-lleguen-a-europa/>

**09.01.2019** Ecuadorian National Police agents, through the National Drug Enforcement Administration and the Drug Enforcement Unit (UIAN), in cooperation with the DEA and the US Coast Guard, conducted an operation called Fortaleza in the territorial sea of Ecuador. As a result, **802 kg of cocaine hydrochloride** intended for shipment to Mexico and Central America were seized. On suspicion of involvement in smuggling was arrested a citizen of Ecuador. As part of the same work, on January 8, 2019, officers of the Drug Enforcement Unit (UIAN) in cooperation with the DEA in an international operation coordinated with the Latvian police, prevented smuggling **2 tons 199 kg of cocaine** into Europe. During a raid on a farm-type building which functioned as a drug collection center, several boxes with the names "SENUKAI" and boxes with bananas "BLUE HOUSE" were found, which contained 2199 packages of cocaine with the logos "DELFIN", "BAD BOYS", "GOLD", "TNT".
