A criminal case was initiated against the smuggler. <https://podrobno.uz/cat/proisshestviya/no-pasaran-sotrudniki-tamozhni-i-sgb-presekli/>

OTHER COUNTRIES

BRAZIL

18.03.2019 As a result of an operation of the Federal Revenue Administration at Guarulhos Airport, four passengers were arrested for drug smuggling. During inspection, a citizen of Thailand carried 160 bracelets, which contained **5.92 kg of cocaine**. The passenger planned to go to Conakry (Guinea). In a suitcase of a citizen of Nigeria following a flight to Addis Ababa (Ethiopia), 159 packages of candy and three pairs of shoes were found, in

which **4.745 kg of cocaine** were concealed. In two other cases, passengers from different destinations hid drug in a similar way - in linings of nylon jackets. In the first case, bags of **1.94 kg of cocaine** were sewn into lining of garments. The baggage belonged to a Kenyan citizen who followed to Bujumbura (Burundi). In the second case, lining of two jackets was impregnated with **cocaine weighing 3,792 kg**. Jackets were found in a suitcase of a Nigerian citizen departing a flight to Cotonou (Benin). Four drug couriers were delivered to the Federal Police Station at the Airport. <http://receita.economia.gov.br/sobre/acoes-e-programas/acoes-da-receita-federal/noticias/2019/marco/8a-regiao-fiscal/operacao-da-receita-federal-resulta-na-prisao-de-quatro-passageiros-por-trafico-internacional-de-entorpecentes-no-aeroporto-de-quarulhos>

23.03.2019 Customs officers of the Federal Revenue Service in the port of Santos on the coast of São Paulo found **436 kg of high-purity cocaine**. The drug was inside guava barrels for export, which were stored in two containers in a terminal on the left bank of the dock in Guarujé, awaiting loading onto the ship Cap San Maleas heading to the Netherlands. As a result of inspection of containers using scanning method and service dogs, cocaine caches were found in five barrels. After opening the containers, 392 packages were found wrapped in strong plastic. Guava pulp, transported in containers, serves as a raw material for production of juices. Drug dealers had hidden a shipment of cocaine without the knowledge of the owner of otherwise legal consignment. <https://g1.globo.com/sp/santos-regiao/porto-mar/noticia/2019/03/23/traficantes-mergulham-quase-meia-tonelada-de-cocaina-em-tambores-com-polpa-de-goiaba.ghtml>

VENEZUELA

21.03.2019 Bolivarian National Guard (GNB) Drug Group agents found **7,050 kg of cocaine** hidden in a wooden box with musical equipment belonging to a parcel delivery company in Maracaibo. The drug was hidden in a double bottom box and was awaiting shipment to Pennsylvania (USA). Case was transferred to State Ministry. <https://theworldnews.net/ve-news/gnb-localiza-7-050-kilogramos-de-cocaina-dentro-de-una-caja-en-empresa-de-encomiendas-en-maracaibo>

VIETNAM

20.03.2019 More than **300 kg of methamphetamine** were seized and confiscated by officers from the Drug Crime Investigation Department of the Ministry of Public Security during a joint operation with a special unit of the Southern Border Guard Service, Ho Chi Minh City Police and police from the Central Highlands Dak Nong in a mansion in the Binh Tan residential area. The mansion was used as a shelter and warehouse for a drug gang. 11 drug dealers, citizens of Laos, China and Vietnam, were detained, a pickup vehicle used to transport a consignment of methamphetamine was seized. <https://e.vnexpress.net/news/news/vietnam-s-one-ton-meth-bust-was-a-five-month-operation-3899537.html>

KENYA

Drug trafficker was arrested and imprisoned by Edirne court.

<https://www.aa.com.tr/en/turkey/nearly-9-kg-of-cocaine-seized-in-nw-turkey/1425091>

UKRAINE

20.03.2019 The SBU Office in the Odessa region, together with the Prosecutor's Office, the National Police, the State Border Service and the GFS Odessa Customs, has eliminated a large distribution channel of cocaine from the Ecuadorian sea. When carrying out inspection activities in respect of cargoes transported from regions of the world that are traditional drug producers, an attempt to transport **257 kg of cocaine** in a container with bananas imported into Ukraine was prevented in the port of Odessa. Total found were 220 packs of cocaine. Market value of the consignment is more than 51 million US dollars. Drugs were intended for countries of the European Union. SBU started criminal proceedings.

<https://112.ua/obshchestvo/sbu-perekryla-kanal-transportirovki-kokaina-iz-odnoy-iz-stran-yuzhnoy-ameriki-484810.html>

21.03.2019 Officers of the Office for Combating Customs Offenses and International Cooperation of Kiev Customs in cooperation with the Security Service of Ukraine at the checkpoint of the Boryspil airport prevented a smuggling of **3.5 kg of cocaine** into Ukraine. Drug trafficker, a citizen of Ukraine arrived from Panama through Germany, the drug was intended for Israel. Drug bags were located in a specially made cache in the double bottom of the bag. Customs officers filled out a protocol on violation of customs regulations. Materials of the case were revoked by the SBU in the framework of criminal process. The Security Service of Ukraine and Israeli law enforcement authorities conducted an international controlled delivery on this fact. <http://sfs.gov.ua/media-tsentr/mitni-novini/372275.html>

21.03.2019 Officers of the Main Directorate for Combating Corruption and Organized Crime of the SBU stopped activity of the largest drug lab in the history of Ukraine. Organizers of drug production produced and sold narcotic substances on a large scale in Ukraine and abroad. During searches in a private house in Kiev, equipment for manufacture of drugs was seized as well as over **10 kg of alpha-PVP, 5 kg of mephedrone, over 5 kg of amphetamine**. Market value of seized drugs is more than 20 million hryvnia. It was established that the indicated house was used, in addition to the drug lab, as a warehouse for an illegal online drug store, through which prohibited substances were sold. The web resource was in the dark network of Internet connections Darknet. During a search, three members of the drug group were detained. Criminal proceedings were initiated into illegal production, manufacture and sale of narcotic drugs. <https://www.rbc.ua/rus/news/sbu-razoblachila-krupneyshuyu-istorii-ukrainy-1553161382.html>

21.03.2019 The Security Service of Ukraine together with the General Directorate for Combating Corruption and Organized Crime coordinated by the General Prosecutor's Office conducted a special operation to arrest leaders of a major international criminal group specializing in drug trafficking in Ukraine and the CIS countries. It was established that the

group consisted of about a thousand people. There was an extensive network, well-developed security measures for this grouping and very strict conspiracy rules. The group called "Khimprom", which, according to law enforcement agencies of Ukraine was created by citizens of the Russian Federation and initially worked in Russia. After mass arrests of members of this group in Russia in 2017, its leaders left the Russian Federation, reorganized and began their activities in Ukraine. A daily turnover of this organization from the sale of various synthetic drugs was about 200 million rubles. During searches a wide range of psychotropic and narcotic substances were found. Money from the sale of drugs accumulated in cryptocurrency accounts and electronic wallets. Further, the cryptocurrency was turned to cash using electronic mobile points, after which they were legalized. More than 100 investigative actions were conducted on the territory of Kiev and the Kiev region, as well as in the Kherson, Nikolaev, and Odessa regions, including more than 80 searches, in which drugs, money, valuables, gold bars, jewelry worth more than 5 million US dollars were seized from participants in organized crime groups. Officers detained 20 active members of this organization. A number of participants in the criminal organization are outside Ukraine. The organization had the strictest level of discipline, for any violation of the established rules of conspiracy, conduct, unauthorized contacts or the use of personal mobile phones at workplaces, specially trained members of the criminal group came and cut off fingers of members who committed these violations. <https://www.obozrevatel.com/crime/pavel-demchina-raskryil-detali-unikalnoj-operatsii-v-ukraine-razoblachili-krupnyih-mezhdunarodnyih-narkotorgovtsev.htm>

PHILIPPINES

21.03.2019 A combined force led by the Philippine Drug Enforcement Agency (PDEA) in Barangay Tungkai and the southwestern city of Cebu located in the Central Visayi region discovered marijuana plantations. In total, about **10,000 marijuana plants** were found and destroyed. Growing and using marijuana in the country remains illegal under the Comprehensive Dangerous Drugs Act of 2002.

<https://www.sunstar.com.ph/article/1797933/Cebu/Local-News/PDEA-seizes-P34-M-marijuana-in-Toledo-City>

23.03.2019 The Bureau of Customs (BOC) and the Philippine Drug Enforcement Agency (PDEA) in the Manila International Container Port (MICP) suppressed smuggling of **276 kg of methamphetamine** (Shabou). The drug was contained inside packages sealed in foil under the guise of a tea product, which were contained in 12 bags. The bags were inside a container that arrived in Manila North Harbor from Vietnam. The consignment was confiscated and handed over to the PDEA for investigation. The seizure came as a result of international cooperation and intelligence sharing with colleagues from Vietnam, in which the PDEA received information that a container on board the ship Callao Bridge V145E from Ho Chi Minh City (Vietnam) arrived in Manila with a large shipment of drugs.

<http://www.pna.gov.ph/articles/1065417>

FIJI

22.03.2019 Military personnel of the Armed Forces of the Republic of Fiji in the deep waters of Fiji during a two-week dive, at a depth of 50 m in Lomaiviti, discovered an underwater repeater (transporter) used by members of criminal organizations to deliver drugs to Fiji. A transponder is a device that, after receiving a radio signal, emits another signal in response. The device was installed at the place of import and export of drugs in

order to warn drug dealers about the coordinates of the drugs thrown into the water. The device was first delivered to the Military Police and then sent abroad for research. A few days after the discovery of the transponder, Police obtained information about a yacht seen in the area. <https://www.devdiscourse.com/article/law-order/452439-tn-govts-cash-assistance-for-poor-families-stopped-in-view-of-mcc-ahead-of-polls>

MONTENEGRO

16.03.2019 In the course of coordinated actions of officers of the Customs Administration, the Police Directorate and the Public Prosecutor's Office in Podgorica, **31.5 kg of cocaine** were discovered hidden in a special part of the container that arrived in the port of Bar from abroad. Cocaine was detected using a systemic risk analysis. Street value of seized cocaine in the drug market is about 2.5 million euros.

<http://www.upravacarina.gov.me/vijesti/197282/Zajednicko-saopstenje-Luka-Bar-Carinski-i-policijski-sluzbenici-u-koodinaciji-sa-VDT-otkrili-31-5-kg-kokaina-vrijednosti-2-5-mil.html?alphabet=cyr>
