

**CARICC WEEKLY SUMMARY
 ON SEIZURES OF NARCOTIC DRUGS,
 PSYCHOTROPIC SUBSTANCES AND THEIR PRECURSORS**
 (based on mass media reports)

01.06.2025-10.06.2025

№16

In the period from 1 to 10 June 2025, based on information from the media law enforcement agencies and security structures of CARICC member states seized **15 tons of 458.5 kg of narcotic drugs and psychotropic substances, including: heroin - 22.6 kg, opium - 35.72 kg, cannabis group drugs - 13 tons of 369.3 kg, synthetic drugs - 2030.1 kg, and potent substances - 0.8 kg.**

Drug seizures in CARICC Member States

Type of drug (in kg)	Azerbaijan	Kazakhstan	Kyrgyzstan	Russia	Tajikistan	Uzbekistan
Heroin	17.15	0	0	5.45	0	0
Opium	5.72	0	0	0	0	30
Cocaine	0	0	0	0	0	0
Cannabis group drugs	13291.84	45	5.75	4.76	0	21.9
Synthetic drugs	4.86	35.56	3	1986.66	0	0.02
Potent substances	0	0	0	0	0	0.8
Total	13319.6	80.56	8.75	1996.9	0	52.72

During the same period, other countries in the world seized **48 tons 148 kg of narcotic drugs and psychotropic substances, including: cocaine - 479 kg, synthetic drugs - 47 tons 625.72 kg and potent substances - 43.5 kg.**

CARICC MEMBER STATES

AZERBAIJAN

04.06.2025 Officers of the State Border Service foiled an attempt to smuggle a large shipment of drugs to Azerbaijan through the Caspian Sea. As a result of joint actions of the coast guard and patrol vessels, 24.27 kg of drugs, including **24.17 kg of marijuana and 100 g of opium**, were found and seized in the southern water area of the Caspian Sea. In the course of further operational-search activities, a Yamaha-55 motor boat with three crew members was detained trying to leave the territorial waters of Azerbaijan. The arrested were Iranian citizens Vahid Laigi Sudif (born in 1984), Khalid Yazdani Nurullah (born in 1985) and Monshinezhat Tohid Neriman (born in 1986). <https://media.az/society/krupnaya-partiya-narkotikov-perehvachena-na-kaspii>

04.06.2025 Officers of Sabunchu District Police Department conducted a special operation against illegal trafficking of narcotic drugs, 7 people were arrested. The detainees - earlier convicted 43-year-old Ilyas Huseynzade, 32-year-old Ilkin Aliyev, 49-year-old Fakhraddin Kazimov, 31-year-old Gulaga Jafarov, 32-year-old Nargiz Guliyeva, 57-year-old Shirzad

Shirinov and 39-year-old Anar Yusifov - were brought to criminal responsibility. A total of **18 kg** of narcotic drugs, including **heroin, marijuana, opium**, and the psychotropic substance **methamphetamine**, were seized from them. <https://oxu.az/ru/kriminal/operaciya-protiv-narkotorgovli-v-baku-zaderzhany-7-chelovek-izyato-18-kg-narkotikov>

05.06.2025 An attempt to breach the state border from the Islamic Republic of Iran in the direction of Azerbaijan was prevented in the service area of the "Lankaran" border detachment of the State Border Service Border Troops Command. As a result of the conducted border search and operational measures, **9.38 kg of marijuana and 560 tablets of "Methadone M-40"** were found and seized in the service territory. <https://oxu.az/ru/kriminal/predotvrashena-kontrabanda-krupnoj-partii-narkotikov-iz-irana-v-azerbajdzhan-06051149>

05.06.2025 Directorate General for Combating Drugs of MVD detained 37-year-old Bakhriz Shukyurov, suspected of organizing sale of drugs. For conspiracy purposes the detainee used a car to deliver bread to retail outlets. The operation was carried out in the Khazar district of the capital. During a search in the house of the detainee they found **14 kg of marijuana** laced with harmful substances. <https://oxu.az/ru/kriminal/policiya-zaderzhala-narkokurera-ispolzovavshego-avtomobil-pekarni-dlya-sbyta-narkotikov>

07.06.2025 Operational office of the Penitentiary Service of the Ministry of Justice together with officers of the Ministry of Internal Affairs carried out operational and search activities. As a result of the operation, narcotic drugs totaling 2.59 kg (**745 g of heroin, 725 g of marijuana and 1120 g of opium**) were found and seized, concealed by Elchin Alekberov in an old building in the territory of Nohudlu village of Salyan district. <https://oxu.az/ru/kriminal/v-salyanskom-rajone-obnaruzheny-spryatannye-v-staroj-postrojke-narkotiki>

07.06.2025 Officers of Sabirabad District Police Department continue activities on detection of cultivated narcotic plants. As a result of the police operation, Matlab Mammadov, a suspect in the above-mentioned criminal act, was detained. In the yard of his house **621 bushes of cannabis** grown by cultivation method and **500 g of marijuana** were found. In the course of other actions carried out by the officers of the department in the same direction, Eljan Nazarov, Fazil Alekberov and Vyusal Takhmazov were detained. A total of **250 cannabis bushes** were found and seized in their yards. <https://oxu.az/ru/kriminal/v-sabirabadskom-rajone-zaderzhany-chetvero-podozrevaemyh-v-vyrashivanii-konopli>

07.06.2025 A large shipment of drugs was detected and seized in Azerbaijan last day. On 6 June, police officers seized more than **16 kg of drugs and 84 bushes of cannabis** grown by cultivation method. Also **5000 bushes of wild cannabis** were found and destroyed. <https://report.az/ru/proisshestviya/mvd-minuvshim-dnem-v-azerbajdzhane-obnaruzheno-bolee-16-kg-narkotikov/>

09.06.2025 As a result of operational activities carried out by police officers on 7 and 8 June, almost 34 kilograms of narcotic drugs were found and seized. About **11.9 kilograms of heroin, more than 21.9 kilograms of marijuana and 141 grams of methamphetamine** were confiscated. In addition, police officers identified and seized 43 cannabis bushes grown by cultivation - 54000 wild **cannabis** bushes with a total weight of

11.4 tons were also destroyed. <https://1news.az/news/20250609123935453-Za-dva-dnya-iz-nezakonnogo-oborota-izyato-okolo-34-kg-narkotikov>

10.06.2025 Police officers seized about 5 kg of narcotic drugs in Shamkir district. During the operation, Elshad Ismayilov, suspected of illegal acquisition and possession of marijuana, was detained. During a body search, he was found in possession of a narcotic substance, and during an inspection of his house, another **4.7 kg of marijuana** was found. As part of further measures, 7 more people suspected of possession and sale of drugs were detained. Illicit substances of various weights and types were seized from them, in their cars and at their places of residence. <https://report.az/ru/proisshestviya/v-shamkire-iz-oborota-izyato-5-kg-narkotikov-zaderzhany-vosem-chelovek/>

KAZAKHSTAN

04.06.2025 Police officers dismantled a clandestine laboratory for production of synthetic drugs in the North-West settlement of Karaganda region as part of the special operation "Karaasora-2025". The operation was carried out by officers of the Department for Combating Drug Crime together with the special unit "Arlan" with the assistance of the regional prosecutor's office. About **6 tons of precursors** and **35 kilograms** of ready-made psychotropic substance **mephedrone** - more than 1 million single doses - were seized. This amount was planned to go on the black market. <https://polisia.kz/ru/bole-1-mln-doz-sintetiki-i-okolo-6-tonn-prekursorov-v-karagandinskoj-oblasti-likvidirovana-krupnaya-narkolaboratoriya/>

05.06.2025 The Almaty Prosecutor's Office is investigating a case of drug smuggling on a particularly large scale. More than **43 kg** of seized **marijuana** were brought into the country in dozens of postal parcels. The parcels were intended for residents of a number of major cities of the country, where 10 persons were searched and detained. According to their testimonies, it became clear that an organized cyber group was operating and had set up a drug smuggling scheme. It consisted of "handlers", "packers" and "droppers". They were coordinated in a telegram through the false account of "Felix Gallardo" and "Jordan Belfort". The owner of the account and the organizer of the drug store was a person serving a sentence in the Pavlodar Region Institution. <https://dknews.kz/ru/v-strane/361692-kontrabanda-narkotikov-cherez-messendzher-v-almaty>

09.06.2025 Police seized more than half a kilogram of synthetic drugs from a 23-year-old resident of Astana in Petropavlovsk. According to the police, the young man came to Petropavlovsk to distribute illegal substances. In April, he was detained by police officers and the DKNB in the North Kazakhstan region. In the rented apartment where the detainee lived and in the places he indicated as "dead drops" they found packages with powdery substance. The weight exceeded **0.5 kg**. Expert analysis showed that these were synthetic drugs "**α-PVP**" and **mephedrone**. <https://polisia.kz/ru/politseyskie-iz-yali-polkilo-soli-u-astanchanina-v-sko/>

10.06.2025 A drug dealer from Shymkent was caught in Kokshetau. A college student, combining his studies and work, was engaged in drug distribution. A student from Shymkent came to Kokshetau to make dead drops. In early June, police stopped the criminal activity of the 19-year-old. At detention they found **50 packages with mephedrone**. He had time to

place **10 more packages** at the addresses. During investigation all dead drops were found and seized. <https://polisia.kz/ru/50-doz-mefedrona-studenta-zakladchika-pojmali-v-kokshetau/>

10.06.2025 Police officers together with the prosecutor's office detained a 47-year-old man in Astana. In his apartment they found caches with more than **2 kg** of drugs. During the search they found: electronic scales, more than 87 thousand US dollars, 10 thousand euros and 3.5 million tenge in cash. It was found that the man sold drugs by meeting clients in person and handing the goods from hand to hand. He always demanded payment in cash. Expert analysis showed that the substance found was **hashish**. <https://polisia.kz/ru/bral-nalichkoj-v-astane-zaderzhali-narkotorgovtza/>

KYRGYZSTAN

05.06.2025 A drug laboratory operating under the guise of a kindergarten was detected in Bishkek. The laboratory was functioning in a building with the signboard "Rastishka ABC" in the capital. Instead of taking care of children, the illegal activity of growing elite varieties of marijuana was carried out there. During the search, operatives found and seized **19 cannabis plants, 54 grams of hashish**, and equipment for automated cultivation of cannabis.

https://24.kg/proisshestvija/331749_chastnyiy_detsad_vbishkeke_okazalsya_prikrytiem_dlya_narkobiznesa/

09.06.2025 Officers of the Counter Narcotics Service of the Kyrgyz MVD, together with representatives of railway service, prevented an attempt to import and produce narcotic drugs. During customs inspection of an international parcel arriving from Georgia, an analog of a psychotropic substance was seized in a particularly large amount - a volume sufficient for production of more than **3 kilograms of mephedrone**. As part of operational and investigative measures in Bishkek, was detained a foreign citizen A. A. I., born in 1997, who worked as a DJ in one of the capital's clubs. At the time of arrest he was found in possession of prohibited substances, and during a search at his place of residence - a drug laboratory with growing cannabis and special equipment for its cultivation. https://kaktus.media/doc/525363_v_bishkeke_zaderjali_didjeia_v_dome_kotorogo_nashli_narkolaboratoriu_video.html

RUSSIA

01.06.2025 On 29 May in the city of Boksitogorsk of the Leningrad region in the course of implementation of operational information by officers of the regional Drug Control Department detained a 43-year-old local resident suspected of illicit trafficking in narcotic drugs. In the course of realization of a complex of operative-search measures in the apartment of the detainee on Pavlova Street, as well as on the land plot belonging to him on Gaza Street in the city of Boksitogorsk, operatives found and seized: **23 cannabis bushes, more than 100 grams** of parts of **cannabis** plants, **17 tablets** of the drug **methamphetamine, 60 grams of marijuana**, equipment for cultivation of narcotic plants, electronic scales and packaging material. <https://мвд.рф/news/item/65605278/>

02.06.2025 As a result of operational-search activities, police officers detained five people, including a married couple, on Baikalskaya street in Moscow and in the town of Khimki, Moscow region, from whom more than two hundred packages with an unknown substance, with a total mass of over **1.45 kg**, as well as electronic scales and packaging material, were seized during personal searches, searches at their places of actual residence and from caches. As a result of the examination of part of the seized substance, conducted in the EKC, it was found that it contained **heroin**, a narcotic drug. <https://мвд.пф/news/item/65570179/>

02.06.2025 In a garden non-commercial partnership of Kostroma district, operative officers of UNK UMVD of Russia for Kostroma region detained a 26-year-old citizen of Russia and a 25-year-old native of Tajikistan, suspected of illegal production and sale of narcotic drugs on a particularly large scale. During inspection of the house from the utility room located on the land plot, police seized polymeric containers with ready-to-distribute **mephedrone** with a total weight of more than **13 kg**, and **129 kilograms of precursors** and auxiliary substances necessary for synthesis of narcotics. <https://мвд.пф/news/item/65633936/>

02.06.2025 Officers of UNK GU MVD of Russia in the Irkutsk region dismantled a laboratory for manufacture of synthetic drugs. Police officers received information that a 28-year-old local resident could have set up a drug laboratory on the territory of a private house in the Cheremkhovsky district. In the course of verification of this information, operatives arrived at the land property and found there an outbuilding. Tens of kilograms of powdery substance were spread out on a table in the room. Police officers found **67 kilograms** of banned substances, empty and liquid-filled containers, laboratory equipment, packaging material, cell phones, bank cards and other items of evidentiary value. Preliminary examination showed that the seized substances were derivatives of **N-methylephedrone**. <https://мвд.пф/news/item/65619682/>

03.06.2025 Officers of the Drug Control Department of the regional UMVD detained three residents of Chita on suspicion of selling narcotic drugs as a result of a set of operational measures. During a search at the place of residence of one of the defendants, operatives seized a package with light green powder, and also established coordinates of caches left by the suspects, from which 10 packages with a similar substance were seized. According to expert conclusion, the total mass of the seized powder amounted to almost **200 grams**. It was found to be a **synthetic drug**. <https://мвд.пф/news/item/65669772/>

04.06.2025 Officers of the Drug Control Department of UMVD of Russia in the Ryazan region conducted a successful operation, as a result of which a laboratory for production of synthetic drugs was dismantled. About 20 kilograms of mephedrone and amphetamine were seized. In the course of operative work, officers of UNK UMVD and regional UFSB found that in a private house in the village of Polnoe Yaltunovo, Shatsk district, operates a clandestine laboratory for the serial production of shipments of "synthetics". As a result of operational activities, law enforcement officers prevented a total of **18.76 kg of mephedrone and 897 g of amphetamine** from being sold. At black market prices, the value of this shipment is equivalent to 60 million rubles. <https://мвд.пф/news/item/65737700/>

04.06.2025 Officers of the Drug Control Department of GU MVD of Russia in the Chelyabinsk region dismantled a laboratory where about five hundred kilograms of illegal substances were synthesized every month. Operatives found illegal production in a private house in the

Kartalinsky district of the Chelyabinsk region. There, two perpetrators were manufacturing the narcotic drug **α-PVP**. During survey of the area, the police identified two caches, which contained about **18 kilograms** of synthetics. In the laboratory itself, police officers found more than **427 kilograms** of narcotic drugs and about **1 ton of precursors**. <https://мвд.рф/news/item/65716055/>

04.06.2025 Officers of the Drug Control Department of UMVD of Russia in Omsk region as a result of a set of operational measures on suspicion of selling narcotic drugs detained an Omsk man born in 1986 in the entrance of a house on 4th Kordnaya Street. During personal search, as well as from caches made by the suspect before detention, they seized 7 rolls with powdery substance. According to conclusion of expert, the total mass of the seized drug potion amounted to almost **300 grams**. It was found to be a synthetic drug - a derivative of **N-methylephedrone**. <https://мвд.рф/news/item/65711229/>

05.06.2025 Officers of the State Automobile Inspection of UMVD of Russia in Sergiev Posad District detained a 40-year-old resident of Yaroslavl on suspicion of drug trafficking. Police officers stopped the car of the perpetrator to check his documents, during conversation he was visibly nervous and behaved suspiciously. Investigative and operational team summoned in the cabin of the car found and seized a bag with a package, the contents of which, according to examination conducted by the EKC, is **mephedrone** weighing **499 grams**. <https://мвд.рф/news/item/65762765/>

05.06.2025 Police received information that a 24-year-old resident of the capital might be involved in drug trafficking. As a result of operational and investigative measures, police officers detained the suspect on Yaroslavsky highway. By this time the man had managed to hand over to the courier of the delivery service two factory boxes with TV sets, intended for transportation to another region. Police officers inspected the car of the courier service and seized from inside one of the TV sets packages with a powdery substance with a total mass of almost **1 kilogram**. It was found that the seized substance was a narcotic drug - **N-methylephedrone**. During a search in the apartment where the detainee lived, operatives found and seized 4 more packages with a similar drug with a total weight of more than **4 kilograms** on the balcony. <https://мвд.рф/news/item/65745486/>

06.06.2025 As a result of intelligence work, officers of OMVD of Russia in Mozhaisky District dismantled a drug laboratory in one of the district's SNTs. It was found that a 22-year-old unemployed local resident had organized production of drugs on his dacha plot. During a search police found and seized 130 canisters of liquid, flasks, trays, gloves, gas masks, packaging material, electronic scales and a white substance weighing more than **500 grams**, which, according to expert opinion, contains **mephedrone**. <https://мвд.рф/news/item/65804935/>

06.06.2025 Officers of GU MVD of Russia in the Novosibirsk region dismantled a laboratory for production of synthetic drugs - mephedrone. Operatives detained the organizers - two residents of Novosibirsk aged 31 and 32. Having made a shipment of synthetic drugs, they traveled by car to the city of Novosibirsk. At the 54th km of the highway R-256 the vehicle on which the defendants were traveling was stopped by traffic patrol inspectors of MO MVD of Russia "Iskitimsky". During a search of the residential building the operatives found and seized laboratory equipment, canisters, containers with ingredients intended for manufacture

of narcotic drugs, electronic scales, packaging material, and special suits and masks for protection of respiratory organs. In total, more than **10 kg of synthetic drugs** were seized from the detainees. <https://мвд.рф/news/item/65796341/>

06.06.2025 As a result of the measures taken, police officers on Varshavskoye highway detained a 23-year-old resident of the capital on suspicion of drug trafficking. During personal examination and inspection of the place of incident, police found and seized 114 different packages with substance of unknown origin weighing more than **455 grams**. Further operatives identified places of secret stashes, which the suspect had managed to make. In the course of their examination, 7 convolutions with substance were seized. According to results of study, part of the seized contained narcotic drugs - **mephedrone and hashish**. The rest of the seized substance was sent for examination. <https://мвд.рф/news/item/65787434/>

06.06.2025 A motorist with a large consignment of drugs was stopped on the M-11 Neva highway near St. Petersburg. Inspectors found a cache in the passenger car's interior - 15 packages weighing more than **25 kg** were concealed behind the back of the rear seat. As expert examination showed, inside there was a synthetic drug based on **mephedrone**. <https://www.fontanka.ru/2025/06/06/75553328/>

07.06.2025 Officers of GU MVD of Russia in Chelyabinsk region during conducted measures established the route of movement of interregional drug couriers. As a result, police officers detained two citizens of a Central Asian republic, born in 1992 and 1995, who were transporting the narcotic drug heroin. Drug dealers were detained in the Perm region, and law enforcement officers seized about **4 kg of heroin** from a cache in their car. It was found that the perpetrators planned to sell illegal substance using Internet resources both in the region where they were detained and in the Sverdlovsk and Chelyabinsk regions. <https://мвд.рф/news/item/65818435/>

09.06.2025 Officers of the Drug Control Directorate of UMVD of Russia in the Novgorod region detained a drug courier - a 36-year-old resident of the Transcaucasus - on the basis of operational information from colleagues from GUNK MVD of Russia. The criminal was traveling along the federal highway M-11 "Neva" and stopped at a gas station in the Malovishersky section. During inspection of the vehicle under the hood, they found a sealed bag containing a prohibited substance. Research conducted in the Expert-Criminalistic Center of the Regional UMVD showed that the drug courier was transporting about **1 kg of ephedrone**. <https://мвд.рф/news/item/65885330/>

10.06.2025 Officers of UMVD of Russia in Naro-Fominsk city district detained a 44-year-old native of a neighboring country suspected of drug trafficking. As a result of operative-search measures law enforcers in a private house in the village of Bashkino in Naro-Fominsk city district found a dwelling where a laboratory for synthesizing drugs was equipped. During inspection of one of the rooms operatives found and seized canisters with chemical liquids, three bags with a crystalline substance, reagents and protective equipment. According to expert conclusion, the substance weighing more than **1 kg**, which was in one of the packages, contains **mephedrone**. <https://мвд.рф/news/item/65922682/>

10.06.2025 Officers of the Directorate General for Drug Control of MVD of Russia stopped activities of a clandestine laboratory producing synthetic drugs. Operatives found that in the village of Stepanchikovo, Domodedovo district, Moscow region, a local resident had purchased a two-story residential house with an area of more than 300 square meters and an adjacent plot of land on which a bathhouse was located. The perpetrator completely converted premises into a drug laboratory, including closed areas for unloading and storing precursors and special equipment, drug manufacturing and drying, and a powerful ventilation and air filtration system. As a result of operational-search measures, police detained the perpetrator. During inspection of his home, crystalline substances and liquids were found, along with laboratory equipment and precursors. The physico-chemical research showed that the seized drug was **mephedrone** (4-methylmethcathinone) weighing more than **98 kilograms** and a drug mixture weighing more than **1.3 tons** containing the same drug. Laboratory capacity was about 300 kilograms of mephedrone per month.

UZBEKISTAN

04.06.2025 Officers of internal affairs bodies carried out a special operational activity in Jizzak region. During the event, a 35-year-old resident of Karmani district of Navoi region was detained in Dustlik district. The detainee tried to sell **360 units** of the drug, which contained potent substances. Based on testimony received, operational activity was continued in the city of Tashkent, where a resident of Shaykhantakhur district was detained. Another 16 types of various preparations containing potent substances were found in his possession. A total of **2684 units** of preparations containing **potent substances**, the free circulation of which is prohibited by Uzbek legislation, were seized from him.
<https://upl.uz/incidents/52503-news.html>

05.06.2025 Officers of the Kokand City Department of Internal Affairs conducted an operational activity. In the course of the event, a resident of Bunyodkor MSG was detected growing drug-containing plants on the territory of her homestead. During inspection of her house, in the presence of impartial witnesses, **200 opium poppy bushes** were found. All of them were seized as material evidence and sent for laboratory tests. According to laboratory report, the fact that the plants contained narcotic substances was confirmed.
<https://upl.uz/incidents/52550-news.html>

06.06.2025 Officers of the Namangan District OVD conducted a preventive operation within the "Koradori-2025" campaign aimed at combating illicit trafficking of narcotic substances. In the course of the action it was found that a resident of Sohil mahalla of Namangan city, born in 1965, was engaged in cultivation of drug-containing plants on his homestead plot located in Namangan district. **73 cannabis plants** were identified and seized during inspection of the house.
<https://upl.uz/incidents/52586-news.html>

09.06.2025 Officers of internal affairs bodies conducted an operative action in Bektemir district of the capital. During the event, a suspicious citizen was stopped and checked, who was carrying **18 rolls of synthetic drugs**. It was found that he received coordinates of the location of narcotic substances via messenger "Telegram" from a citizen named Dilshod. On the basis of this, the citizen was detained. When checking his house, **140 tablets of**

psychotropic drugs and two bags of synthetic drugs were found.

США

04.06.2025 Detectives from the San Diego County Sheriff's Office Border Crimes Unit and U.S. Border Patrol agents seized nearly 8000 pounds of methamphetamine during a coordinated drug investigation in the South Bay. The operation began around 7 p.m. on 2 June when law enforcement spotted three vehicles loaded with suspected narcotics. Two of the vehicles went to a motel in San Ysidro and the third vehicle went to a motel in Chula Vista. All three drivers were apprehended and a search of the vehicles resulted in the discovery of 61 bags of methamphetamine. A total of **3500 kilograms of methamphetamine** with an estimated street value of 5.5 million dollars was seized. <https://www.cbs8.com/article/news/local/nearly-8000-pounds-of-meth-seized/509-c3e6db9b-230c-4ab1-b57c-562f925843c5>

10.06.2025 Law enforcement officials recently discovered more than **400 kg of methamphetamine** in a Burnsville storage locker, prompting them to raid eight Twin Cities metro locations looking for evidence related to drug discovery, along with evidence of bank fraud, illegal weapons and human trafficking, according to federal court documents. <https://minnesotareformer.com/briefs/feds-south-minneapolis-law-enforcement-action-was-related-to-seizure-of-900-pounds-of-meth/>

THAILAND

07.06.2025 Chiang Rai police recently conducted two major drug seizure operations, arresting two suspects and seizing a total of **600000 methamphetamine pills** in a week. In the first case, police arrested two men with 4 million methamphetamine pills in a joint effort between several district police stations and investigative units. The second operation took place on 3 June. A SWAT unit and task force, after receiving information about another shipment, seized 2 million methamphetamine tablets concealed in bags in a banana grove near the border with Myanmar. All seized drugs were handed over to the authorities for prosecution. <https://www.chiangraitimes.com/crime/chiang-rai-drug-seizures/>
