The operation was conducted by the Westside Drug Task Force with the assistance of the Houston Police Department's tactical unit. The operation took place on 14 October 2025 in the 8000 block of Emmott Road and targeted an international drug trafficking organisation, according to a press release from the Austin County Sheriff's Office. Investigators identified a source within the organization and arrested Orlando Gomez-Garcia, who was found with approximately 10 kilograms of crystal methamphetamine. Another 190 kilograms were seized from his home, which was being used as a clandestine conversion lab. https://www.mytexasdaily.com/upper-gulf-coast/houston-task-force-seizes-200-kilograms-of-methamphetamine-in-major-drug-bust/article_775f6564-d6d4-52af-8f75-3a2184855de1.html
